## Best Hair Salon

### Alchemy Hair Salon

This College Park hair salon has been rocking styles for years in Orlando and bringing in customers who seek a "unique" haircut experience. Located on Edgewater Drive in a small yellow building, Alchemy Hair is not your average hair salon. Visit their web site to experience first hand, the creative and unique style of this place. Alchemy seeks to attain "the shiniest, softest, healthiest and most stylish hair". Large free form mirrors decorate the walls while you relax in cushy, soft salon chairs-- all while listening to a DJ in the back pumping music to help you "let your hair down". No pun intended.
